With the expansion and new lawn areas at the Dambly House there is more area to mow, and we were recently donated a wonderful 42" Craftsman Riding Mower from Peter Burgess and Janet Stevens of Moorestown. They recently engaged a lawn service and saw our request in the e-mail and felt this would be a good home for it. It runs beautifully and cuts the mowing time from around four hours pushing a mower to one hour seated in comfort! We can't thank these wonderful people enough for their generosity

and good will, and wanted to share our gratitude with the IHOC family. Well done! Fred

*Thank You Peter and Janet*

## PROPERTY UPDATE

The Property Committee continues to work on upgrading the Dambly House property including the Annunciation Church next door. The new mower/tractor has been a huge help in saving time and effort as we continue more clearance and seeding of the overgrown weeds in the back yard. We have recently had our annual fire-safety

inspection by the Township, and annual certification of the fire-smoke alarm system throughout the building. The air conditioning units will be removed for the winter season, a new dehumidifier helps keep the lower level comfortable, and the heating system will be checked out.

Do not miss the Annual IHOC Dinner is Saturday October 21<sup>st</sup> at St Mary's Catholic Church. Contact Ruth Morgenroth [ihoccasemgr@aol.com](mailto:ihoccasemgr@aol.com) for ticket information and if you would like to donate a basket for the auction.

**Danny Passerelli, AKA HOT DOG DANNY**, has been unable to contact his family in Ponce, Puerto Rico due to the devastation caused by Hurricane Maria. Give Danny a call and let him know he is in your prayers or thoughts. 856 571 6054.
